# Reptile One Feeding Tongs

**F**eed your reptiles with ease! These new high quality stainless steel feeding tongs make it simple to provide food items to reptiles, birds, mice and fish. Reptile One feeding tongs are the safe and convenient alternative to hand feeding.

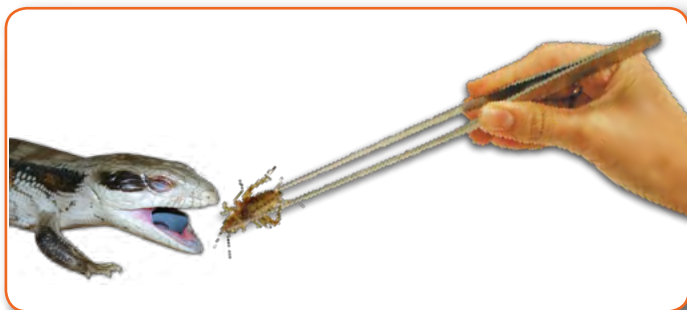

**Suitable for: Lizards, snakes, turtles, frogs, scorpions, fish & some small animals**

## Features & Benefits

- Made from high quality stainless steel
- Smooth, curved edges help reduce any potential injuries to animals
- Great for getting access into tight spots in terrariums, vivariums and aquariums.
- Easy to clean
- Hygienic
- Reduces chance of getting bitten
- Allows you to avoid directly touching the reptiles food
